SPANDEX USA

Spandex USA is one of the fastest growing companies in the hospitality and special event industries. Our products are a great value whether you are renting for an event or purchasing for your venue.

Our innovative designs, reasonable pricing, high quality, large in-stock quantities, and excellent service are unmatched in the industry. Our 18 years in the event design business not only helps us keep up with trends, but let us set trends, as well.

CHAIR COVERS

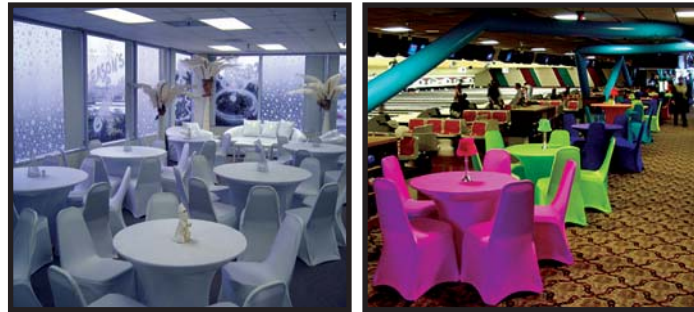

Our form-fitted spandex chair covers have been designed to fit most hotel banquet chairs. The form-fitting design does not require chair bands to look like a chair.

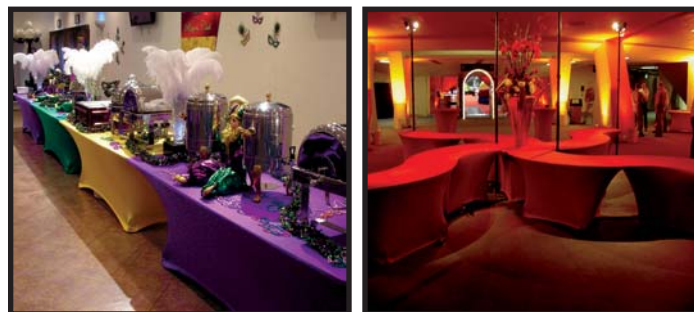

TABLEFORM LINENS

Our spandex tableform linen HUGS™ are available for purchase in ANY size or shaped table. Rentals are available in most standard hotel sizes.

TABLEFORM LINENS

Spandex tableform linen HUGS combined with our spandex chair covers create a very dramatic room design. These are especially effective outside in windy venues since the bottoms are secured to the legs with fabric pockets.
